ARCHITECTURE

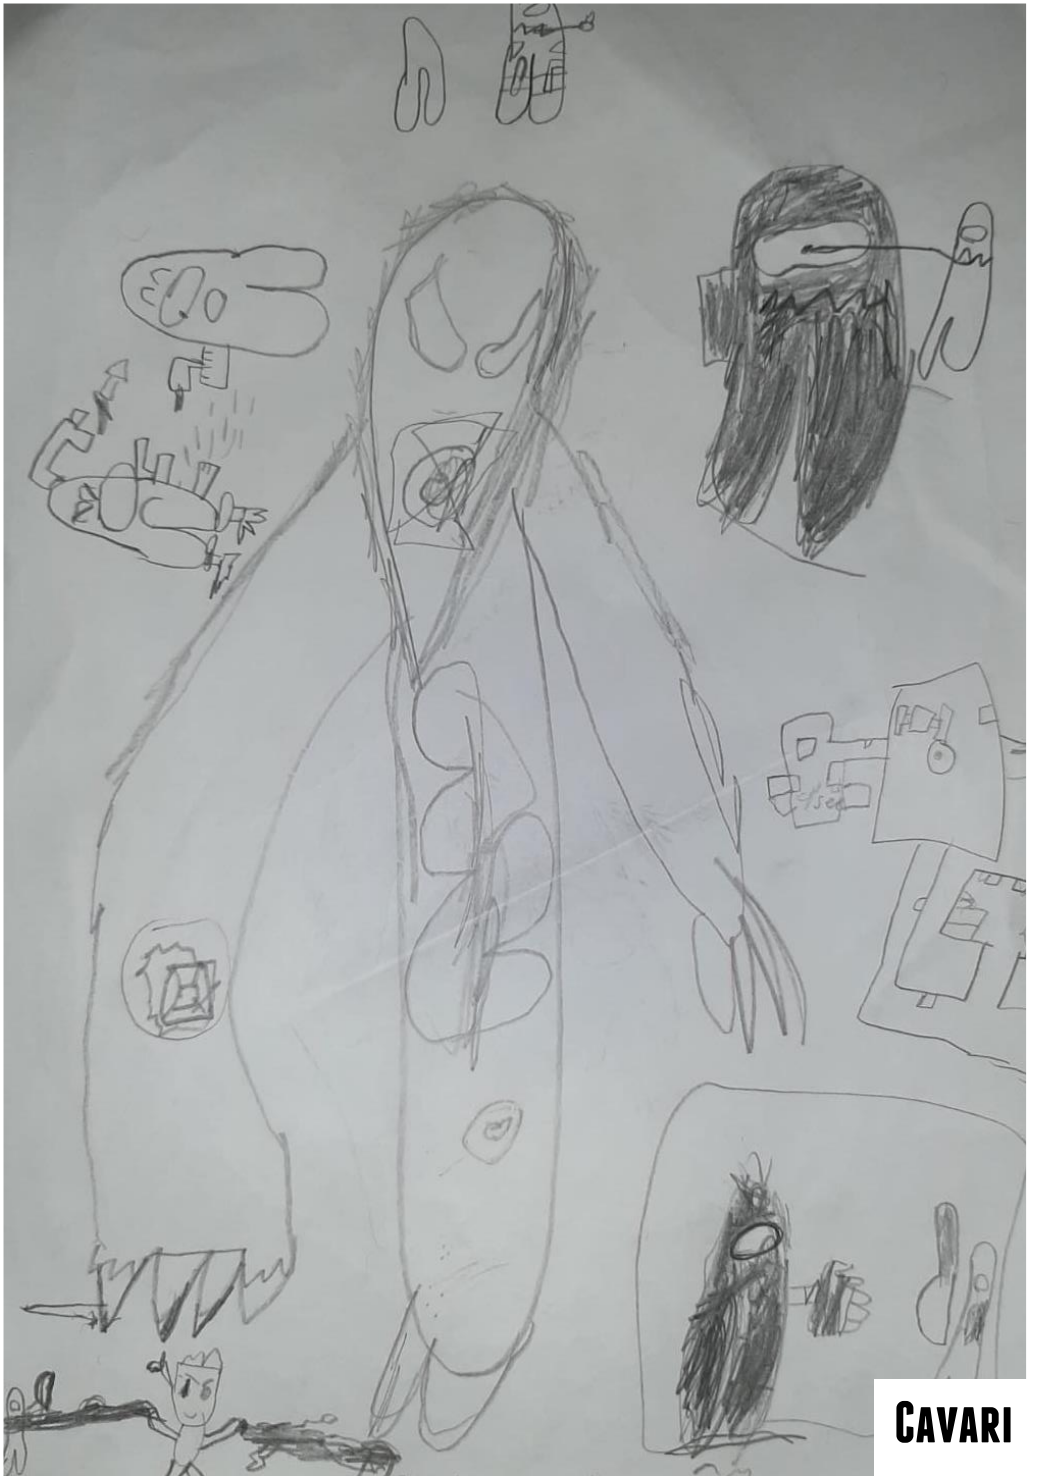

I Love Architecture because it is quite fun to draw and it is what i want to do when i am older and it is a very interesting topic for me.

ANIME

I love to draw Anime because it is very hard to draw, so its a nice challenge, and it is also interesting and fun. I love how lots of Anime characters have lots of muscle and they are all so strong. I love Anime and I draw it alot.

CAVARI

My minions are funny
just like me. My favourite
is my pilot which I named
Kevin. My ballerina minion
is called Bob. I like the
movies as they are very
funny.
