

# We need your help!

MHA Communities North London are creating community artworks which will be on display as part of a history walking tour in Enfield Town in September 2022.

We're looking for people to help us make the artworks - whether you're a painter, sketcher, crafter or doodler there's something for everyone!

Join us on Tuesday 2nd & Wednesday 3rd of August at Enfield Carers Centre (Britannia House, 143 Baker St, Enfield EN1 3JL) between 10am - 1pm where you'll help us to make the artworks and create your own little piece of history, here in Enfield. Materials and refreshments provided!
