To join the Carers Emergency Card Scheme, please contact Enfield Carers Centre for a form. You must provide the names of at least two people who can be contacted in an emergency and the name of at least one person who has the keys to your home or the home of the cared for person. What happens next?

If Safe & Connected are going to hold a key, you will need to take a key to their offices. Enfield Carers Centre can help you arrange this.

Before you complete your Emergency Plan, read through this information carefully

Before you apply for the scheme, take some time to think if you have...

- ...talked though the Emergency Plan with the person you care for.*
- ...had their agreement that you can include their details in the Plan.**
- ...discussed the Plan with your family or friends.*

Permission is important

Make sure you speak to the person you care for about the Emergency Plan as they need to agree to their details being included. *

**This may not apply to cases where the person is not able to fully understand what is being discussed.*

You will also need to speak to anyone named as a contact in the Plan so they know what

they'll have to do if a crisis occurs. They must also give permission for their details to be contained in the Emergency Plan. Give them a copy of the Plan as soon as you complete it. We can copy it for you to give them if you ask us to.

Where we keep your Emergency Plan

Once returned to the Carers' Centre, your Emergency Plan will be kept on our secure database and accessed by the Safe & Connected Team at Enfield Council. The Carers' Centre will return your Plan to you. Keep it in a safe place that's easy to access.
